**Little Leapers Preschool is excited to offer our Mommy and Me program for children 20 months - 3 years old for the 2024-25 School year. This is a great way to get your child ready for nursery school.**

The bond between parent and child is a very special one that can be enriched with interactive play and learning. The Mommy and Me program are offered in three sessions: Fall, Winter and Spring. These classes are offered on Tuesdays. The Fall session is from 9:15-10:45am, it runs for 12 weeks at \$325 for the session.

During each class the parent and child will enjoy various activities such as arts and crafts, story time, music, and movement. Activities are designed to help develop gross/fine motor skills and well as establishing life skills such as sharing and getting along with others. All while preparing them to begin independent Preschool.

During the session you will gather for snack time (snack provided by the parent)
